- (4) Reason for not adding some of the votes of shareholders who attended the ordinary general meeting of shareholders to the final number of votes:

The votes of shareholders who attended the general meeting of shareholders on the meeting date, but have not been confirmed as to whether they indicated approval, disapproval or abstention, were not added to the final count because the requirements for the proposals to be resolved were already met by adding the votes from the exercise of voting rights as of the day before the general meeting of shareholders was held to the votes of shareholders who attended the general meeting of shareholders, which were confirmed as approvals or disapprovals, and the proposals were duly adopted in accordance with the Companies Act.
