Central Japan Railway Company

Service Plan in Effect Following Damage to the Chuo Line

Large rainfall on July 9 (Wed), 2014 caused significant damage between the Nagiso and Junikane stations on the Chuo Line, resulting, among other issues, in avalanches that carried away bridge beams. The restoration work is scheduled to be completed by Saturday, August 9, given that there are no abruptions caused by weather and the work progresses as planned. Once the specific date of the service's resumption is decided, it will be notified through the website and other sources.

See below for the service plan in effect on the Chuo Line from July 14 (Mon) onwards.

1. Chuo Line service plan (from July 14 onwards)

o For the time being, all limited express trains Wide View Shinano will suspend service.

o Trains other than limited express trains will be in service as follows:

- Between Nagoya and Nakatsugawa stations: in service as usual.

* Note, however, that rapid up-trains leaving Nakatsugawa station at 17:55 and 18:55 for Nagoya may be delayed for up to five minutes between Nakatsugawa and Tokishi stations.

- Between Nakatsugawa and Sakashita stations: in service; however, the times of some trains may change.

- Between Sakashita and Nojiri stations: operation will be suspended all day. We will be providing an alternate bus transportation service from July 14 (Mon) onwards.

- Between Nojiri and Shiojiri stations: in service; however, the times of some trains may change.

* See Attachment 1 for the times of trains and alternate buses between Nakatsugawa and Shiojiri stations.

2. About the alternate bus transportation service

- Delays may occur due to road conditions and other factors. Also note that the alternate bus transportation service will be suspended if national highway 19 is closed due to weather or other factors or when an evacuation advisory is issued in the Nagiso area (Nashisawa basin).

- See Attachment 2 for the position of bus stops. Note that bus stops are located away from the station at Nagiso, Junikane and Nojiri stations; please board and alight there.
 - Please note that you may not be able to board if seating capacity is exceeded.
 - As a general rule, the sale of passenger tickets for segments including alternate bus transportation will be limited to a range of 100 km.
- * For criteria regarding evacuation advisory, please refer to the Nagiso Town website.
- * Operation will be suspended until the evacuation advisory is lifted even if rainfall has stopped.

3. Suspension of the sale of Value Tickets

Due to the closure of a part of the Chuo Line's segments, the sale of the following Value Tickets employing the Chuo Line is currently suspended.

[Suspended Value Tickets]

- Commutation tickets for reserved seat limited express trains (using Shinano)
- Commutation tickets for non-reserved seat limited express trains
- Commutation tickets for limited express Shinano trains
- Tateyama Kurobe Alpine Route tickets (via the Chuo Line)
- *Shinanoji Furi Kippu*
- *Kisoji Furi Kippu*
- Happy Nagoya round-trip tickets (using Shinano) (from Kiso-Fukushima ~ Nagiso)

End

Chuo Line Timetable (For some time from July 14 (Mon) onwards)
